CLAY BRICK THE NATURAL CHOICE

ALL NATURAL

Incorporating elements as natural as the Earth itself. H.C. Muddox brick is made from 100% genuine clay, manufactured using a highly sustainable process.

DESIGN FLEXIBILITY

Create unique details and architectural effects in patios, driveways, walkways, walls, fireplaces, entryways and windows.

ENERGY-EFFICIENT

Not only is clay brick a green material, but brick structures have a greater energy efficiency than structures built with other materials, providing long-term energy conservation and savings.

NEVER FADES

H.C. Muddox brick is 100% genuine fired clay. Because they are all natural their true colors will never fade.

LONG LIFE

Clay brick has a long lifecycle, is fire proof, pest resistant and offers timeless beauty with virtually no maintenance.

Founded in 1878, H.C. Muddox has taken its vast, rich clay reserves and created some of California's most historic structures. This time-honored craftsmanship and expertise handed down from generations, combined with modern technology, has produced exceptional clay brick products that are durable, beautiful and timeless.

THIN & FACE BRICK VEENER

No masonry product compares to the romance, warmth and authenticity of brick. From old world glamour to modern sophisticated flair, H.C. Muddox Thin & Face Brick Veener is versatile, durable and complements limitless design styles. Our brick is available in a variety of beautiful color blends and textures, perfect for any indoor or outdoor application.

SPECIFICATIONS

Please contact your local authorized H.C. Muddox distributor for size and color availability. Thin brick thickness varies - 1/2" thickness for wirecut and 5/8" thickness for smooth textures. Muddox Thin Brick meets or exceeds ASTM-C1088 Type TBS or TBX.
